In re: NEW(FM), Cooper, TX
Facility ID No. 174838
RV Ministries, Inc.
BMPED-20110215AFE

Dear Applicant:

This letter is in reference to the above-captioned minor change application to modify the transmitter location, radiation center above ground, and effective radiated power.

An engineering study of the application reveals that the proposed facility fails to provide adequate community coverage as required by 47 C.F.R. § 73.515. Specifically, the proposed 60 dBu contour fails to cover at least 50 percent of the community of license of Cooper, TX. This violation constitutes an acceptance defect.

In light of the above, Application BMPED-20110215AFE is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

Edna V. Prado
Supervisory Engineer
