Request for OET-69 Waiver

There are two local Class A TV Stations that have prohibited contour overlaps with the proposed, maximized KRWG-DT: K20GL, NTSC Channel 20, Las Cruces, and KLCP-LP, NTSC Channel 30, Las Cruces. However, as shown by the attached Exhibits 34D and 34E, when these stations are studied on an OET-69 basis, the proposed KRWG-DT facilities are predicted to cause no additional interference to the service of either Class A station. Therefore, pursuant to Section 73.623(c)(5)(iii) of the FCC Rules, waiver of Section 73.623(c)(5)(i) of the FCC Rules is accordingly requested.
