Re: KIOS-FM, Omaha, NE
Douglas County School District 001
Facility Identification Number: 17416
Special Temporary Authority
BSTA- 20161118AAH

Dear Licensee:

This is in reference to the request filed November 18, 2016, on behalf of Douglas County School District 001 ("School District"). The School District requests Special Temporary Authority (STA) to operate KIOS-FM at reduced power while the station's antenna is replaced.

Section 73.1560(d), which governs reduced power operation, states:

In the event it becomes technically impossible to operate at authorized power, a broadcast station may operate at reduced power for a period of not more than 30 days without specific authority from the FCC. If operation at reduced power will exceed 10 consecutive days, notification must be made to the FCC in Washington, DC, Attention: Audio Division (radio) or Video Division (television), Media Bureau, not later than the 10th day of the lower power operation. In the event that normal power is restored within the 30 day period, the licensee must notify the FCC of the date that normal operation was restored. If causes beyond the control of the licensee prevent restoration of the authorized power within 30 days, a request for Special Temporary Authority (see Section 73.1635) must be made to the FCC in Washington, DC for additional time as may be necessary.

Our review indicates that the requests comply with Section 73.1560(d).

Accordingly, the request for STA IS GRANTED. KIOS-FM may continue to operate with reduced power, as needed. The School District must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. The School District must notify the Commission when licensed operations resume.

This authority expires on February 28, 2017.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dale Bickel". The signature is written in a cursive, slightly slanted style.

Dale Bickel
