COMPREHENSIVE TECHNICAL EXHIBIT LPTV APPLICATION FOR CONSTRUCTION PERMIT

**APPLICATION FOR CONSTRUCTION PERMIT
K68GO, FCC ID 131138
FCC FILE NUMBER BNPTTL-20000829AWR
EICB-TV EAST, LLC**

Displacement into core of BNPTTL-20000829AWR. This application is filed to displace this facility from out of core channel 68 to in-core channel 45. Additionally, the ERP and antenna is revised at a new site. The site and its service contour are in the same community with and are contained within the underlying CP service contour.

Interference study. Longley-Rice interference study shows no interference to any facility. Accordingly, waiver of §§74.705 and 74.710, where applicable, is requested.

Use of unregistered antenna structure. The proposal is mounted below the top of a short communications tower. It has been subjected to TOWAIR analysis and shown not to require registration.
