

AFFIDAVIT FOR INSTALLATION OF FM DIRECTIONAL ANTENNA

For WNCI, Columbus, OH

December 21, 2007

This affidavit will serve to confirm the installation of the new WNCI - Columbus, OH directional antenna was overseen by Greg M. Savoldi, Regional Director of Engineering for Clear Channel Radio, Columbus, OH.

The ERI MP-6E-DA-SP antenna was installed in accordance with the manufacturer's instructions. The orientation of the antenna was confirmed by a state certified surveyor to be on a bearing within one degree of North 260 degrees East.

I have been continuously employed in radio broadcasting for 31 years, the last 17 years as Chief Engineer of WTVN, Columbus, OH and Regional Director of Engineering since 1998. I have overseen numerous FM antennae, including panel directional FM antennae, half-wave-spaced FM antennae and several directional side-mounted FM antennae.
