Re: KSCF (FM), San Diego, California
Facility Identification Number: 59816
CBS Radio Stations, Inc.
Special Temporary Authorization

Dear Mr. Benedict:

This is in reference to the request filed June 12, 2006, on behalf of CBS Radio Stations, Inc. ("CBS"), for extension of the special temporary authority ("STA") granted on March 22, 2006, to operate Station KSCF with reduced power. In support of the request, CBS states that it is in the process of relocating the KSCF antenna.

Our review indicates that, subsequent to the filing of the extension request, CBS applied for and was granted Construction Permit BPH-20060619AAP, and that it has filed Application BLH-20070409AAQ, for license to cover the permit. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
