In re: Guadalupe Media, Ltd. (Guadalupe)
KWED(AM), Seguin, Texas
Facility Identification Number: 52671
File Number: BP-20091023ACA

Dear Mr. Southmayd:

This letter refers to the above-captioned minor change application filed by Guadalupe to change the station KWED(AM) transmitter site and its antenna system; the staff's January 27, 2010, informal e-mail requesting a curative amendment to supply tower registration and environmental information; the Guadalupe February 19, 2010, request for an 180 additional days to amend; and our March 10, 2010, letter granting an additional 180 days to amend.

On March 10, 2010, the staff granted Guadalupe an additional 180 days to amend. In that letter, the Commission stated that failure to amend within 180 days would result in a dismissal of the application. Guadalupe did not file a curative amendment by the September 11, 2010, deadline, thereby forfeiting its final opportunity to perfect the application. Accordingly, pursuant to 47 C.F.R. Section 0.283, Guadalupe's application (File No. BP-20091023ACA) is hereby DISMISSED for failure to prosecute.

Sincerely,

Son Nguyen
Supervisory Engineer
