Re: File No. BL-20220623AAD
WJNJ-AM @ Jacksonville, FL
Facility ID No. 29736

Dear Ms. Dortch:

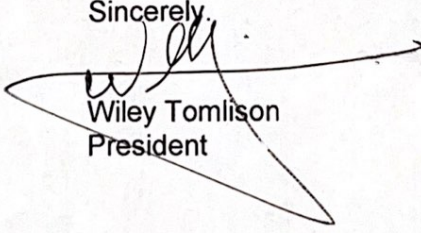

At the request of the FCC staff, we are submitting this amendment to the above-referenced pending license application for Radio Station WJNJ-AM. The purpose of this amendment is to address Special Operating Condition 5 of the underlying WJNJ construction permit.

WZAZ has lost the right to use the WJNJ site and no longer broadcasts or has any equipment at the site. WZAZ holds construction permit BP-20200910AAC to operate at a new site. In the interim, WZAZ is operating under STA BESTA-20220329AAO with a longwire antenna at another site. Therefore, compliance with Special Operating Condition 5 is moot.

WJNJ is operating in compliance with all other special operating conditions.

The foregoing statements are true and are made under the penalty of perjury.

Sincerely,

Wiley Tomlison
President
