1. Sale of Assets.

3. **FCC Consent; Assignment Application.**

(a) At a date not later than five (5) business days after the execution of this Agreement, Buyer and Seller shall execute, file and vigorously prosecute an application with the FCC (the "Assignment Application") requesting its consent to the assignment, from Seller to Buyer, of all FCC Authorizations pertaining to the Station (the "FCC Consent"). (b) Seller hereby consents to and agrees to cooperate with Buyer in connection with the filing of a request by Buyer for a waiver of the FCC's "main studio" rules, such waiver to be effective on or after the Closing Date. Such request shall be made and prosecution thereof shall be conducted solely at Buyer's expense, and Seller's covenant of cooperation shall be satisfied by prompt delivery of the signed statement required under Section 73.3517 of the FCC rules or any similar successor rule or provision.

For purposes of this Agreement, the term "Final Order" means action by the FCC consenting to an application which is not reversed, stayed, enjoined, set aside, annulled or suspended, and with respect to which action no timely request for stay, petition for rehearing or appeal is pending, and as to which the time for filing any such request, petition or appeal or reconsideration by the FCC on its own motion has expired. The Closing shall be held at the offices of Davis Wright Tremaine LLP, 1919 Pennsylvania Avenue NW, Washington, DC, 20006, or at any other location agreed upon by Buyer and Seller, or by mail.

5. **Representations and Warranties of Seller.** Seller hereby makes the following representations and warranties to Buyer:

(a) Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Ohio, and is qualified as a foreign corporation to do business in the State of Wisconsin. Seller has the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Seller and no other proceedings on the part of Seller are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Seller and constitutes the legal, valid and binding obligation of Seller enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

(b) The execution, delivery and performance of this Agreement by Seller will not (i) constitute a violation of or conflict with Seller's organizational documents, (ii) result in a default (or give rise to any right of termination, cancellation or acceleration) under or conflict with any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation relating to the business of the Station and to which Seller or any of the Assets may be subject, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained and delivered to Buyer, (iii) violate any law, statute, rule, regulation, order, writ, injunction or decree of any federal, state or local governmental authority or agency and which is applicable to Seller or any of the Assets, (iv) result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever on any of the Assets, or (v) require the consent or approval of any governmental authority, lending institution or other third party other than the FCC Consent and the consent of the landlord to the Tower Lease.

(c) Schedule 1 hereto contains a list of the tangible personal property owned by Seller for use in connection with the operation of the Station that will be acquired by Buyer. Seller owns and has, and will have on the Closing Date, good and marketable title to the Tangible Personal Property. The assets listed in Schedule 1 hereto include all Material Tangible Personal Property necessary to conduct the operation of the antenna and transmitter of the Station in the manner in which it is currently operated (other than those assets which are Excluded Assets). To the extent the failure of any item of Tangible Personal Property to be in such state would constitute a Material Adverse Condition, each material item of Tangible Personal Property (i) is in good condition and repair, ordinary wear and tear excepted, (ii) has been maintained in a manner consistent with generally accepted standards of good engineering practice, (iii) is operating in substantial compliance with the FCC Authorizations and rules and regulations of the FCC and FAA, and (iv) to Seller's best knowledge, does not contain any PCBs. For purposes of this Section, "Material Tangible Personal Property" shall be such items of tangible personal property valued at One Thousand Dollars (\$1,000) or more. For purposes of this Agreement, "Material Adverse Condition" shall mean a condition, event or circumstance which would materially restrict, limit, increase the cost or burden of or otherwise materially adversely affect or materially impair the right of Buyer to the ownership, use, control, enjoyment or operation of the Station or the proceeds therefrom; provided, however, that the following shall

not be deemed to be a Material Adverse Condition: (i) a condition caused, in whole or in part, by the actions or omissions of Buyer, (ii) laws, rules, regulations or proceedings affecting the radio broadcasting industry in general, and (iii) any condition which requires that the Station be operated in accordance with a condition similar to those contained in its present FCC licenses.

(d) Schedule 2 hereto contains a true and complete list of the FCC Authorizations and all other licenses, permits or other authorizations from governmental or regulatory authorities that are required for the lawful conduct of the business and operations of the Station in the manner and to the full extent it is presently operated. Seller lawfully holds each of the FCC Authorizations and other licenses, permits and authorizations listed on Schedule 2, none of which is subject to any Material Adverse Condition, except as stated on such licenses. Except as set forth in Schedule 2, Seller is operating the Station in all material respects in accordance with the FCC Authorizations, and all rules, regulations and policies of the FCC (the "Communications Laws"), including that the Station is now and on the Closing Date will be transmitting at no less than 90% of its authorized power. The Station is not transmitting or receiving any objectionable interference under FCC rules and regulations to or from any other station, and the Station is not short-spaced to any other Station. There is not now pending or, to Seller's knowledge, threatened any action by or before the FCC to revoke, cancel, rescind, modify or refuse to renew any of such FCC Authorizations, and Seller has not received any notice of and has no knowledge of any pending, issued or outstanding order by or before the FCC, or of any investigation, order to show cause, notice of violation, notice of apparent liability, notice of forfeiture, or material complaint against either the Station or Seller. Except as set forth in Schedule 2, all material reports and filings required to be filed with the FCC by Seller with respect to the operation of the Station have been timely filed, and all such reports and filings are accurate and currently are in material compliance. Seller maintains a public inspection file for the Station and, to Seller's knowledge, such file complies with the Communications Laws.

(e) Except as set forth in Schedule 2, all of the existing towers used in the operation of the Station are obstruction-marked and lighted to the extent required by, and in accordance with, the rules and regulations of the FAA and the FCC. Except as set forth in Schedule 2, Seller has complied in all material respects with all requirements of the FCC and the FAA with respect to the construction and/or alteration of the Seller's antenna structures, and "no hazard" determinations for each antenna structure have been obtained, where required. The Station's tower has been properly registered with the FCC at the coordinates specified in the Licenses. To Seller's knowledge, the operations of the Station do not exceed permissible levels of exposure to RF radiation specified in either the FCC's rules, regulations and policies concerning RF radiation or any other applicable Environmental Laws (as defined below).

(f) Schedule 3 contains a complete description of all the Leased Real Property leased in connection with the Seller's operation of the transmission facilities of the Station, including legal description, owner and use. The Tower Lease is in full force and effect, and Seller, and to Seller's knowledge, the landlord, is not in default thereunder. The real property subject to the Tower Lease (the "Leased Real Property") constitutes the only real properties required to operate the transmission facilities of the Station in the manner in which it is presently operated. There is full legal and practical access to the Leased Real Property, and all utilities necessary for Buyer's use of the Leased Real Property are installed and, to Seller's knowledge, are subject to valid easements, where necessary. Except as set forth in Schedule 3, to Seller's

knowledge, the Leased Real Property and improvements constructed thereon, as well as the present uses thereof, conform in all material respects with all restrictive covenants and with all applicable zoning, environmental and building codes, laws, rules and regulations, including "set back" restrictions. To Seller's knowledge, the buildings, towers, guys and other fixtures situated on the Real Property, are free of structural defects and, are suitable for their intended uses, and are in a good state of maintenance and repair (ordinary wear and tear excepted), are contained entirely within the bounds of the Real Property, and do not encroach upon any other property except in cases where valid easements (that are included in the Assets) have been obtained. To Seller's knowledge, there is no pending condemnation or similar proceeding affecting the Leased Real Property or any portion thereof, and no such action is presently contemplated or threatened.

(g) The instruments to be executed by Seller and delivered to Buyer at the Closing, conveying the Assets to Buyer, will transfer good and marketable title to the Assets free and clear of all Liens other than Permitted Liens.

(h) Buyer shall have no obligation to offer employment to any employee of Seller's or the Station, and shall have no liability with respect to any such employee or for benefits of any kind or nature.

(i) There is no broker or finder or other person who would have any valid claim for a commission or brokerage in connection with this Agreement or the transaction contemplated hereby as a result of any agreement, understanding or action by Seller.

(j) There is no material litigation pending by or against, or to the best of Seller's knowledge, threatened against Seller which would constitute a Material Adverse Condition. To the best of Seller's knowledge, with respect to the Station, Seller has complied in all material respects with all applicable laws, regulations, orders or decrees. To the extent such violation of such laws or such knowledge would constitute a Material Adverse Condition, the present uses by Seller of the Assets do not violate any such laws, regulations, orders or decrees in any material respect, and Seller has no knowledge of any basis for any claim for compensation or damage or other relief from any violation of the foregoing.

(k) There is now, and through the Closing there shall be, in full force and effect with reputable insurance companies fire and property insurance with respect to all material Tangible Personal Property in commercially reasonable amounts sufficient to repair or replace the Assets.

(l) To the extent a failure to so file, pay or discharge would constitute a Material Adverse Condition, Seller has duly, timely and in the required manner filed all federal, state, and local income, franchise, sales, use, property, excise, payroll and other tax returns and forms required to be filed, and has paid in full or discharged all taxes, assessments, excises, interest, penalties, deficiencies and losses required to be paid. No event has occurred which imposes on Buyer any liability for any taxes, penalties or interest due or to become due from Seller from any taxing authority.

6. **Representations and Warranties of Buyer.** Buyer hereby makes the following representations and warranties to Seller:

(a) Buyer is a non-profit corporation duly organized, validly existing and in good standing under the laws of the State of California, is qualified to do business as a foreign corporation in the State of Wisconsin, and has the requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted.

(b) Buyer has the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by Buyer and no other proceedings on the part of Buyer are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Buyer and constitutes the legal, valid and binding agreements of Buyer enforceable in accordance with their respective terms, except as may be limited by bankruptcy, insolvency or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

(c) The execution, delivery and performance of this Agreement by Buyer will not (i) conflict with or result in any breach of any provision of the articles of incorporation or by-laws of Buyer, or (ii) result in a default (or give rise to any right of termination, cancellation or acceleration) under or conflict with any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation, relating to its own business, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained and delivered to Seller, (iii) violate any law, statute, rule, regulation, order, writ, injunction or decree of any federal, state or local governmental authority or agency and which is applicable to Buyer, or (iv) require the consent or approval of any governmental authority, lending institution or other third party other than the FCC Consent.

(d) Buyer is legally, financially and technically qualified to acquire and become the licensee of the Station and to operate the Station in the manner contemplated.

(e) There is no litigation, proceeding or governmental investigation pending or to the knowledge of Buyer, threatened, in any court, arbitration board, administrative agency, or tribunal against or relating to Buyer including without limitation, any voluntary or involuntary petition under Federal bankruptcy law or any state receivership or similar proceedings, that would prevent or materially impede the consummation by Buyer of the transactions contemplated by this Agreement, nor does Buyer know of, or have any reasonable ground to know of, in view of its present situation or action it now contemplates taking, any basis for such litigation, proceeding or investigation.

(f) There is no broker or finder or other person who would have any valid claim against Buyer for a commission or brokerage in connection with this Agreement or the transactions contemplated hereby as a result of any agreement, understanding or action by Buyer.

7. Covenants.

(a) Subject to Buyer's compliance with its obligations under the LMA, Seller covenants with Buyer that, between the date hereof and the Closing Date, Seller shall act in

accordance with the following, unless the Buyer otherwise agrees in writing (which agreement shall not be unreasonably withheld or delayed):

(i) Seller shall maintain the Tangible Personal Property included in the Assets in accordance with standards of good engineering practice and replace any of such property which shall be worn out, lost, stolen or destroyed with like property of substantially equivalent kind and value.

(ii) Seller shall continue to operate and maintain the Station in accordance with the terms of the FCC Authorizations and in material compliance with all applicable laws and FCC rules and regulations. Seller will deliver to Buyer, promptly after filing, copies of any reports, applications or responses to the FCC or any communications from the FCC or any other party directed to the FCC related to the Station which are filed between the date of this Agreement and the Closing Date. Seller will not file any application to modify the Station's facilities except such modifications as are required by the public interest as determined in the sole discretion of Seller, exercised in good faith after consultation with Buyer, and Seller shall take all actions necessary to keep the Licenses valid and in full force and effect.

(iii) Use reasonable commercial efforts to maintain insurance upon all of the Tangible Personal Property in such amounts as necessary to repair or rebuild the Assets, and of such kind as is consistent with Seller's other radio stations and with insurers of substantially the same or better financial condition.

(iv) From the date hereof to the Closing Date, Seller shall afford, and shall cause its respective officers, directors, employees and agents to afford, to Buyer, its prospective financing sources and its and their respective officers, employees, advisors and agents reasonable access during regular business hours to Seller's officers, employees, independent contractors, agents, properties, records and contracts relating to the Assets, and shall furnish Buyer all operating and other data and information with respect to the Assets as Buyer, through its respective officers, employees, advisors or agents, may reasonably request.

(v) On or before the Closing Date, Seller shall furnish to Buyer revised Schedules to this Agreement as may be necessary to render such Schedules accurate and complete as of the Closing Date. Seller shall give detailed written notice to Buyer promptly upon the occurrence of or becoming aware of the impending or threatened occurrence of, any event which would cause or constitute a breach or would have caused a breach had such event occurred or been known to Seller prior to the date hereof, of any of Seller's representations or warranties contained in this Agreement or in any Schedule. Seller shall promptly disclose to Buyer any significant problems or developments with respect to the Assets. Seller shall give prompt written notice to Buyer if the Assets shall have suffered damage on account of fire, explosion or other cause of any nature that is sufficient to prevent operation of the Station.

(vi) Seller shall be in material compliance with all federal, state and local laws, rules and regulations with respect to the Station.

Subject to the terms and conditions of this Agreement, each of the parties hereto will use its reasonable best efforts to take all action and to do all things necessary, proper or advisable to satisfy any condition to the parties' obligations hereunder in its power to satisfy and to consummate and make effective as soon as practicable the transactions contemplated by this Agreement.

10. **Indemnification.**

No claim may be brought under this Agreement unless written notice describing in reasonable detail the nature and basis of such claim is given on or prior to the last day of the Survival Period. In the event such a notice is so given, the right to indemnification with respect thereto under this Article shall survive the Survival Period until such claim is finally resolved and any obligations with respect thereto are fully satisfied. For purposes of this agreement the "Survival Period" shall be twelve (12) months after the Closing Date; provided, however, that the survival period for purposes of Buyer's obligations arising out of the Tower Lease, the Survival Period shall be twelve months following the termination of that agreement. Buyer and Seller agree that the rights to indemnification and to be held harmless set forth in this Section 10 shall, as between the parties hereto and their respective successors and assigns, be exclusive of all rights to indemnification and to be held harmless that such party (or its successors or assigns)

would otherwise have by statute, common law or otherwise. Except with respect to claims based on actual fraud or intentional misrepresentation or as provided in Section 11 and Section 12, hereof, each party's rights under this Section 10 shall be the sole and exclusive remedies with respect to claims resulting from or relating to any misrepresentation, breach of warranty or failure to perform any covenant or agreement contained in this Agreement or otherwise relating to the transactions that are the subject of this Agreement. (a) Subject to Section 10(b), following the Closing Seller shall indemnify, defend and hold harmless Buyer with respect to any and all demands, claims, actions, suits, proceedings, assessments, judgments, costs, losses, damages, liabilities and expenses (including, without limitation, interest, penalties, court costs and reasonable attorneys' fees) ("Damages") asserted against, resulting from, imposed upon or incurred by Buyer arising out of: (i) the breach by Seller of any of its representations or warranties that survive the Closing, or failure by Seller to perform any of its covenants, conditions or agreements set forth in this Agreement that survive the Closing; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of the Station prior to the Closing, including the Retained Liabilities and with respect to the Excluded Assets.

(b) Notwithstanding anything in this Agreement to the contrary, Seller shall have no liability to Buyer pursuant to Section 10(a)(i) hereunder until Buyer's aggregate damages exceed \$100,000, not giving effect to any materiality qualification contained in a representation, warranty or covenant with respect thereto, but if such threshold is exceeded, then Seller shall be liable for all damages without regard to the threshold.

(c) Subject to Section 10(d), following the Closing Buyer shall indemnify, defend and hold Seller harmless with respect to any and all Damages asserted against, resulting from, imposed upon or incurred by Seller arising out of: (i) the breach by Buyer of any of its representations, warranties, or failure by Buyer to perform any of its covenants, conditions or agreements set forth in this Agreement; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the Assumed Liabilities or the ownership and operation of the Station as conducted by Buyer subsequent to the Closing.

(d) Notwithstanding anything in this Agreement to the contrary, Seller shall have no liability to Buyer pursuant to Section 10(c)(i) hereunder until Buyer's aggregate damages exceed \$100,000, not giving effect to any materiality qualification contained in a representation, warranty or covenant with respect thereto, but if such threshold is exceeded, then Seller shall be liable for all damages without regard to the threshold.

(e) If either party hereto (the "Indemnatee") receives notice or otherwise obtains knowledge of any matter with respect to which another party hereto (the "Indemnifying Party") may be obligated to indemnify the Indemnatee under this Section 10(c), then the Indemnatee shall promptly deliver to the Indemnifying Party written notice describing such matter in reasonable detail and specifying the estimated amount of the Damages or liability that may be incurred by the Indemnatee in connection therewith. The Indemnifying Party shall have the right, at its

option, to assume the complete defense of such matter at its own expense and with its own counsel, provided such counsel is reasonably satisfactory to the Indemnatee. If the Indemnifying Party elects to assume the defense of such matter, then (i) notwithstanding anything to the contrary herein contained, the Indemnifying Party shall not be required to pay or otherwise indemnify the Indemnatee against any such matter following the Indemnifying Party's election to assume the defense of such matter, (ii) the Indemnatee shall fully cooperate as reasonably requested by the Indemnifying Party in the defense or settlement of such matter, (iii) the Indemnifying Party shall keep the Indemnatee informed of all material developments and events relating to such matter, and (iv) the Indemnatee shall have the right to participate, at its own expense, in the defense of such matter. In no event shall the Indemnifying Party be liable for any settlement or admission of liability with respect to such matter without its prior written consent.

11. **Termination.**

(a) This Agreement may be terminated by either Buyer or Seller, if the party seeking to terminate is not in default or breach of any of its material obligations under this Agreement, upon written notice to the other upon the occurrence of any of the following: (a) if, on or prior to the Closing Date, the other party breaches any of its material obligations contained herein, and such breach is not cured by the earlier of the Closing Date or thirty (30) days after receipt of the notice of breach from the non-breaching party, provided however that such opportunity to cure shall not apply to the failure of a party to perform its obligations set forth in Section 4 or Section 9, hereof; or (b) if the Assignment Application is denied by Final Order; or (c) if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing of this Agreement; or (d) if the Closing has not occurred within twelve (12) months after the date hereof.

Upon a termination of this Agreement by Seller due to a breach by Buyer of any of its material obligations under this Agreement, Seller's sole remedy shall payment by Buyer to Seller, as liquidated damages and not as a penalty, an amount equal to the Earnest Money ("Liquidated Damages"). THE DELIVERY OF THE LIQUIDATED DAMAGES AMOUNT TO SELLER SHALL BE CONSIDERED LIQUIDATED DAMAGES AND NOT A PENALTY, AND SHALL BE THE RECIPIENT'S SOLE REMEDY AT LAW OR IN EQUITY FOR A BREACH HEREUNDER IF CLOSING DOES NOT OCCUR. BUYER AND SELLER EACH ACKNOWLEDGE AND AGREE THAT THIS LIQUIDATED DAMAGE AMOUNT IS REASONABLE IN LIGHT OF THE ANTICIPATED HARM WHICH WILL BE CAUSED BY A BREACH OF THIS AGREEMENT, THE DIFFICULTY OF PROOF OF LOSS, THE INCONVENIENCE AND NON-FEASIBILITY OF OTHERWISE OBTAINING AN ADEQUATE REMEDY, AND THE VALUE OF THE TRANSACTION TO BE CONSUMMATED HEREUNDER. If Seller is entitled to the Liquidated Damages, Buyer shall take all actions as are reasonably necessary or convenient in order to cause the Escrow Agent to promptly deliver the Earnest Money Deposit to Seller and shall refrain from any action which would cause any delay in the making of such payment to Seller.

(b) Upon a termination of this Agreement due to a breach by Seller of any of its material obligations under this Agreement, Buyer shall be entitled to the release of the Earnest Money Deposit, and Buyer may seek all rights and remedies that it may have in equity or at law.

(c) Upon a termination of this Agreement for any reason other than as a result of a breach by either party of any of its material obligations under this Agreement, Buyer shall be entitled to the release of the Earnest Money Deposit, and thereafter neither party shall have any further obligation to the other under this Agreement.

12. **Specific Performance.** Seller acknowledges that the Station is a unique asset not readily obtainable on the open market and that, in the event that Seller fails to perform its obligation to consummate the transaction contemplated hereby, money damages alone will not be adequate to compensate Buyer for its injury. Therefore, Seller agrees and acknowledges that in the event of Seller's failure to perform its obligation to consummate the transaction contemplated hereby, Buyer shall be entitled, (in lieu of any other rights and remedies on account of such failure if such relief is granted), to specific performance of the terms of this Agreement and of Seller's obligation to consummate the transaction contemplated hereby. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and Buyer shall be entitled to receive from Seller all court costs, attorney's fees and other out-of-pocket expenses incurred by Buyer in enforcing its rights under this provision.

13. **Confidentiality.**

(a) Each party shall hold, and shall cause its officers, employees, agents and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain such information to hold, in confidence, and not use for any purpose other than evaluating the transactions contemplated by this Agreement, any confidential information of another party obtained through the investigations permitted hereunder, which for the purposes hereof shall not include any information which (i) is or becomes generally available to the public other than as a result of disclosure by the party which alleges the information is confidential or its affiliates, (ii) becomes available to a party on a nonconfidential basis from a source, other than the party which alleges the information is confidential or its affiliates, which has represented that such source is entitled to disclose it, or (iii) was known to a party on a nonconfidential basis prior to its disclosure to such party hereunder. If this Agreement is terminated, each party shall deliver, and cause its officers, employees, agents, and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain confidential information of another party pursuant to investigations permitted hereunder to deliver to such other party all such confidential information that is written (including copies or extracts thereof), whether such confidential information was obtained before or after the execution.

(b) If a party or a person to whom a party transmits confidential information of another party is requested or becomes legally compelled (by oral questions, interrogatories, requests for information or documents, subpoena, criminal or civil investigative demand or similar process) to disclose any of such confidential information, such party or person will provide the other applicable party with prompt written notice so that such party may seek a protective order or other appropriate remedy or waive compliance with Section 13(a). If such protective order or other remedy is not obtained, or if the applicable party waives compliance with Section 13(a), the party subject to the request will furnish only that portion of such

confidential information which is legally required and will exercise its best efforts to obtain reliable assurance that confidential treatment will be accorded such confidential information.

(c) In the event that either party determines in good faith that a press release or other public announcement is desirable under any circumstances, the parties shall consult with each other to determine the appropriate timing, form and content of such release or announcement.

14. **Notices.** All notices, elections and other communications permitted or required under this Agreement shall be in writing and shall be deemed effectively given or delivered upon personal delivery (or refusal thereof), or twenty-four (24) hours after delivery to a courier service which guarantees overnight delivery, or five (5) days after deposit with the U.S. Post Office, by registered or certified mail, postage prepaid, and, in the case of courier or mail delivery, addressed as follows (or at such other address for a party as shall be specified by like notice):

15. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Wisconsin, without giving effect to the choice of law principles thereof.

16. **Partial Invalidity.** Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein shall, for any reason, be held to be invalid or unenforceable, such provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the

remainder of such provision or any other provisions hereof, unless such a construction would be unreasonable.

17. **Counterparts.** This Agreement may be executed in several counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument. This Agreement may be executed and exchanged by facsimile transmission, with the same legal effect as if the signatures had appeared in original handwriting on the same physical document. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine as a defense to the formation of a contract and each such party forever waives any such defense.

18. **Expenses.** Except as otherwise set forth in this Section, each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. The FCC filing fees relating to the Assignment Application shall be shared equally between Buyer, on the one hand, and Seller, on the other hand. All federal, state, local and other transfer and sales taxes applicable to, imposed upon or arising out of the transfer to Buyer of the Assets as contemplated hereby shall be paid by the party responsible for such amounts under applicable law.

19. **Risk of Loss.** Except for losses which are the result of Buyer's actions under the LMA, the risk of loss to any of the Assets on or prior to the Closing Date shall be upon Seller. Seller shall use all commercially reasonable efforts to repair or replace any damaged or lost Assets, provided, however, that in the event that the Assets with a value of greater than One Hundred Thousand Dollars (\$100,000) are damaged or lost on the date otherwise scheduled for Closing, Buyer may, at its option, either (i) postpone Closing for a period of up to sixty (60) days while Seller repairs or replaces such Assets, or (ii) elect to close with the Assets in their current condition, in which case Seller shall assign all proceeds from insurance on such lost or damaged Assets to Buyer, and Buyer shall have the responsibility to repair or replace the Assets. Seller shall have no responsibility to repair or replace damaged or destroyed Assets not covered by insurance if the cost of such repair exceeds One Hundred Thousand Dollars (\$100,000), provided, however, that should Seller not advise Buyer within five (5) days after being requested to do so that Seller will repair or replace such Assets, Buyer may terminate this Agreement without penalty upon written notice to Seller. Should the Station (i) not operate for a period in excess of seventy-two (72) consecutive hours, or (ii) not operate with full licensed facilities for a period of ten (10) consecutive days, or if the Station not be operating at no less than 90% of its full authorized power as of the scheduled Closing Date and it is reasonably expected that the condition set forth in either clause (i) or (ii) of this sentence would be satisfied other than for the originally scheduled Closing Date, Buyer may either elect to terminate this Agreement without penalty upon written notice to Seller or postpone the Closing for a period of up to sixty (60) days while Seller attempts to cure the condition described in the preceding sentence of this Section 19.

20. **Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. No party may voluntarily or involuntarily assign its interest or delegate its duties under this Agreement without

the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

21. **Entire Agreement.** This Agreement, and the exhibits attached hereto, supersede all prior agreements and understandings between the parties with respect to the subject matter hereof and may not be changed or terminated orally, and no attempted change, amendment, or waiver of any of the provisions hereof shall be binding unless in writing and signed by both parties.

22. **Schedules and Exhibits.** Unless otherwise specified herein, each Schedule and Exhibit referred to in this Agreement is attached hereto, and each such Schedule and Exhibit is hereby incorporated by reference and made a part hereof as if fully set forth herein.
