

REQUEST FOR SPECIAL TEMPORARY AUTHORITY
CUMULUS LICENSING LLC
WAAV AM RADIO STATION
980 kHz - 5.0 KW - DAN
LELAND, NORTH CAROLINA
March 2018

This Technical Statement was prepared on behalf of Cumulus Licensing, LLC (“Cumulus”), licensee of AM station WAAV, 980 kHz, Leland, North Carolina. Cumulus herein requests Special Temporary Authority (“STA”) to operate WAAV at full power (5.0 kW) during daytime hours and at 30% power (1.5 kilowatts) during nighttime. This operation is necessary to allow the station to maintain service to the community of Leland due to failure of components critical to the nighttime directional operation. Expedited processing of this application is requested to prevent loss of service to the community.

The station’s power will be monitored by the indirect method using transmitter indicating instruments. Protection of persons to high levels of radio frequency radiation is maintained using the higher power fencing and restrictions.

We have tried to be as accurate as possible in the preparation of this request. All information contained herein was extracted from the CDBS database. We assume no liability for omissions or errors in this source. Should there be any questions concerning the information contained herein, we welcome the opportunity to discuss the matter by phone at 912-638-8028 or by email at rsg@grahambrock.com.

AFFIDAVIT AND QUALIFICATIONS OF CONSULTANT

State of Georgia)
St. Simons Island) ss:
