Special Temporary Authority  
BSTA-20140331AJU

Dear Counsel:

This is in reference to the request filed March 31, 2014, on behalf of MLB-Richmond IV, LLP ("MLB"). MLB requests special temporary authority ("STA") to operate from a temporary antenna mounted lower on the tower, with an ERP of 1.0 kW, to accommodate tower work higher up. The temporary antenna would be used as needed to protect workers on the tower from excess radiofrequency exposure. The service contour from the temporary operation will remain wholly within the licensed service contour of WWLB

The request for STA IS HEREBY GRANTED. MLB may operate from the authorized temporary facilities as needed. MLB must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. MLB must notify the Commission when the STA is no longer needed

**This authority expires on September 29, 2014.**

Sincerely,

Dale Bickel
