Statement of Certifying Engineer

I, Philip R Joiner, have worked as a broadcast engineer for 27 years from 1985 to present. I served as Assistant Chief Engineer and Chief Engineer for WWFM The Classical Network and I am currently the contract engineer for the station.

I certify that the SWR FMI3D/4-DA EP was properly installed in accordance with the manufacturer's instructions by Precision Communications and Tower Service. The antenna was installed under file number BMPED-20111215ADA, facility 41201, call sign WWCJ.

Respectfully submitted March 26, 2012.

Philip R Joiner

Piper Communications
Engineer, WWFM The Classical Network
