MULTIPLE OWNERSHIP COMPLIANCE
EXHIBIT 15

Background and Compliance with Section 73.3555(a)

Under the proposed transaction, upon Commission consent, McEntee Broadcasting of Florida, Inc, will assign the license of WIOJ (AM), Jacksonville Beach, Florida to Seven Bridges Radio, LLC ("Seven Bridges"). Seven Bridges is not presently a Federal Communications Commission broadcast licensee, or has any attributable ownership interest in any broadcast station. Thus, WIOJ would be the only broadcast station in which Seven Bridges would have an interest, and thus, it would be in compliance with the multiple ownership limits set forth by 47 CFR §73.35555.
