In re: Low Power Television Application of:  
Tiger Eye Broadcasting Corp.  
Channel 28, Farmville, VA.  
BPTTL-20030626AAD  
Facility Id No.: 68492

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. WVIR-TV, Charlottesville, VA., - BLCT-19930210KE.

In addition to the above interference issue(s), our analysis of the above-referenced application found the following issue:

- a. CDBS shows this application requires a displacement distance of 64.485 kilometers (40.069 miles). Justification for the displacement distance is required.

You are hereby given the opportunity to file an electronic amendment to resolve these specified issues 1.) the interference problem and 2.) the displacement distance justification within (30) days from the date of this letter. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely
