Re: RFPJY, LLC (RFPJY)
WGIV(AM), Pineville, NC
Facility Identification Number: 22027
Special Temporary Authority (STA)
BESTA-20221229AAA

Dear Mr. Neely:

This is in reference to the request filed on December 29, 2022. RFPJY has requested a further extension of the STA originally granted on April 20, 2018, to continue operating from an alternate site to allow time to file the required FCC Form 302 application to license the new permanent facility.¹ In support of the request, RFPJY stated that it is currently waiting on the local power company to complete installation of the electric service to the site before it can complete all remaining steps and then file the application with the AudioFilings team.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and RFPJY may continue to operate with the following facilities:

Geographic coordinates	35° 11' 56" N, 80° 52' 36" W (NAD 1927)
Frequency	1370 kHz
Hours of operation	day and night
Operating power	0.025 kW
Antenna type	110 foot vertical long-wire antenna

¹ WGIV(AM) is licensed for ND operation on 1370 kHz with 16 kW day, and 0.045 kW night, and BP-20190906AAU authorizes a new site ND facility with different power levels.

RFPJY must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR §1.1310.

This authority expires on **July 2, 2023**.

Sincerely,

A handwritten signature in blue ink that reads "Joe Szczesny". The signature is fluid and cursive, with the first name "Joe" and last name "Szczesny" clearly legible.

Joseph Szczesny, Engineer
