

COMPLIANCE WITH LOCAL OWNERSHIP RULES
(In response to FCC Form 301, Section II, Item 4(b))

Nassau Broadcasting III, L.L.C. (“Nassau”), is the licensee of radio broadcast station WAFY(FM), FID 3728, Middleton, Maryland and WWEG(FM), FID 39806, Hagerstown, Maryland. The purpose of this modification application is to effectuate the change in the community of license for WWEG(FM) from Hagerstown, Maryland to Myersville, Maryland. After the WWEG change in community of license, both stations will be located within the Frederick, Maryland Arbitron Metro Market (“Frederick Market”). Section 73.3555 of the Commission’s rules states for radio markets with 14 or fewer full-power, commercial and noncommercial stations, an entity may have an interest in up to five commercial radio stations and no more than three commercial stations in one service. Accordingly, it is permissible for Nassau to own two FM stations in the Frederick Market.
