**Special Operating Condition 1**  
**KJKK (FM) FAC ID 63779**  
**Dallas, TX**

Special condition 1 requires sufficient measurements be made to establish compliance with Sections 73.317(b) through 73.317 (d). This installation is a master antenna project that will ultimately involve as many as 8 stations utilizing one antenna.

The applicant is the first station to use this antenna. As there is only one transmitter currently attached to this antenna, spurious signals cannot be generated. Applicant determined that measurements were not required to show compliance with the above rule parts.
