

Pending Renewal Applications

Several of the broadcast stations licensed to Equity Broadcasting Corporation and its subsidiaries (collectively, “Equity”) are the subject of pending applications for renewal of licenses, and during the pendency of this *pro forma* transfer of control application and concurrently filed transfer of control applications, additional applications may be due and pending for the renewal of licenses of other Equity stations. This statement is submitted in furtherance of the Commission’s policy permitting consummation of a multi-station transfer of control application that overlap the renewal cycle of a particular subset of the stations involved in the transaction where (1) no basic qualifications issues against the transferor/assignor and transferee/assignee were raised, or if raised, were resolved favorably, and (2) the transferee/assignee explicitly assents to standing in the stead of the transferor/assignor in any renewal proceeding that is pending at the time of the consummation of the transfer of control/assignment application. *See, e.g., Shareholders of CBS Corporation*, 16 FCC Rcd 16072, 16072-73, para. 3 (2001) (“*CBS Corporation*”). Therefore, the transferee/assignee in this and all other concurrently filed *pro forma* transfer applications hereby assents to succeeding to the place of the current licensee in any pending renewal applications, consistent with the procedures set forth in *CBS Corporation*.
