DIVERSITY OF OWNERSHIP**

**The Board of Directors of Western Inspirational Broadcasters, Inc. (WIBI) adopted the following Resolution at a regularly scheduled meeting of the Board held on July 30, 2007:**

“Be It Resolved, that Western Inspirational Broadcasters, Inc. (WIBI) is pledged to maintain a diversity of ownership such that the licenses for broadcasting facilities shall be separated so as to prohibit overlap of their predicted community coverage contours (defined as the 70 dBu 50,50 predicted contour).”

Should the instant application be granted, WIBI will request cancellation of the licenses of the following FM Translators upon commencement of operation of the proposed full service station:

FM Translator K257DP, Pinedale, WY FID# 71838

FM Translator K247AN, Big Piney, WY FID# 141766

FM Translator K207DW, Diamondville, WY FID# 122019

A map demonstrating the lack of contour overlap with the nearest other authorized broadcast facilities (FM translator K240CP, Evanston, WY and FM translator K224CI, Lyman, WY) follows. The city grade contours of all other broadcast facilities licensed to WIBI are at greater distances from the proposed full service station.
