Re: Certification of Orientation
601 Bangs Ave.
Asbury Park, NJ 07712
Antenna Model PSIFLV-2A-DA

Dear Mr. Destinoble,

Further to your request, KM Consulting Engineers, Inc. have researched the above reference antenna location and has confirmed the orientation azimuth of the antenna.

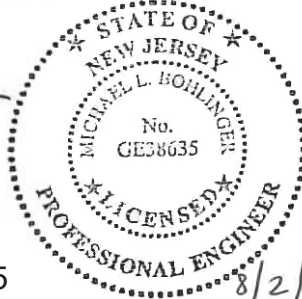

We have field verified that the new PSIFLV- 2A-DA antenna is orientated to 60° true north.

Should you have any comments or questions, please do not hesitate to contact our office.

Sincerely,

KM CONSULTING ENGINEERS, INC.
