Dear Licensee:

This is with respect to Station KEUS-CD and the amendment to its license renewal application received on August 28, 2014.¹

In that amendment, the Licensee voluntarily agreed to revert Station KEUS-CD to low power television status. By this letter, we confirm that the Station has been reverted to low power television status. Moreover, as a result of the reversion, Station is no longer required to comply with the Class A requirements. Please be informed that no further action is required of the Licensee.

Sincerely,
