

EXHIBIT 18

Multiple Ownership

WKIX-FM, Raleigh, NC, the station subject to the instant application, is located in the Raleigh-Durham, NC, Arbitron Metro (the “Raleigh Metro”). A total of 46 commercial and noncommercial educational full-power radio stations are located within or are reported by BIA as “home” to the Raleigh Metro.¹

A separate assignment application filed contemporaneously with the instant application proposes the divestiture of Assignee’s and its attributable party’s interests in the following station which is also located in the Raleigh Metro:

Call Sign	Location	Facility ID No.	Licensee
WWPL(FM)	Smithfield, NC	61259	<i>New Age Communications, Inc.</i>

Subject to the consummation of the divestiture of the above-referenced station, grant of the instant application would result in the Assignee and its attributable parties having cognizable interests in the following five (5) commercial full-power FM stations and three (3) commercial full-power AM stations in the Raleigh Metro:

Call Sign	Location	Facility ID No.	Licensee
WPTF(AM)	Raleigh, NC	21630	<i>First State Communications, Inc.</i>
WQDR-FM	Raleigh, NC	9076	<i>Carolina Media Group, Inc.</i>
WBBB(FM)	Raleigh, NC	889	
WKIX-FM	Raleigh, NC	4841	<i>FM 102.9 LLC</i>
WBZJ(FM)	Goldsboro, NC	48369	<i>New Age Communications, Limited Partnership</i>
WPTK(AM)	Raleigh, NC	888	<i>WWMY, LLC</i>

¹ See BIA FCC Geographic Market Definition for Raleigh-Durham, NC, Data as of November 21, 2013.

Call Sign	Location	Facility ID No.	Licensee
WFNL(AM)	Raleigh, NC	61698	<i>Triangle Broadcast Associates, LLC</i>
WPLW(FM)	Hillsborough, NC	22322	<i>New Century Media Group, LLC</i>

Other than the above combination of stations, neither the Assignee nor its attributable party would have any attributable interests in any other broadcast station or daily newspaper in the Raleigh Metro.

Pursuant to Section 73.3555 of the Commission's rules, in a Metro reported by BIA as having 45 or more commercial and noncommercial full-power radio stations, a party may have a cognizable interest in up to eight (8) full-power commercial radio stations, not more than five (5) of which may be in the same service.

Accordingly, the Assignee's proposed combination of five (5) FM stations and three (3) AM stations in the Raleigh Metro complies with the Commission's multiple ownership rules, and therefore Assignee respectfully requests that the Commission grant the instant application subject to the condition that the consummation of the above-referenced divestiture of WWPL(FM), Smithfield, NC, occur prior to or simultaneous with the consummation of the assignment of WKIX-FM to Assignee.
