LOCAL PROGRAMMING AND MARKETING AGREEMENT

THIS LOCAL PROGRAMMING AND MARKETING AGREEMENT (this “Agreement”) is made as of _____, 201__ between OTA Broadcasting (SFO), LLC, a Delaware limited liability company (“Licensee”) and TV-49, Inc., a Wisconsin corporation (“Programmer”).

Recitals

A. Licensee owns and operates the following television stations (each a “Station” and collectively, the “Stations”) pursuant to licenses issued by the Federal Communications Commission (“FCC”):

KAXT-CD, San Francisco, San Jose, CA (FCC Facility ID No. 37689)
KTLN-TV, Novato, CA (FCC Facility ID No. 49153)

B. Licensee desires to obtain programming for the Stations, and Programmer desires to provide programming for broadcast on the Stations on the terms set forth in this Agreement.

C. Licensee and an affiliate of Licensee (as Seller) and Programmer (as Buyer) are parties to an Asset Purchase Agreement (the “Purchase Agreement”) dated October 18, 2017 with respect to the Stations and certain other stations.

Agreement

NOW, THEREFORE, taking the foregoing recitals into account, and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Term. The term of this Agreement (the “Term”) will begin on [_____] and, with respect to each Station, will continue until closing under the Purchase Agreement with respect to such Station, or until otherwise terminated in accordance with the terms of this Agreement (or extended by mutual written agreement).

2. Programming. During the Term, Programmer shall purchase from Licensee airtime on the Stations for the price and on the terms specified below, and shall transmit to Licensee programming that it produces or owns (the “Program” or “Programs”) for broadcast on the Stations twenty-four (24) hours per day, seven (7) days per week, excluding the period from 6:00 a.m. to 8:00 a.m. each Sunday morning (the “Broadcasting Period”). Programmer will transmit, at its own cost, its Programs to the Stations’ transmitting facilities in a manner that ensures that the Programs meet technical and quality standards at least equal to those of the Stations’ broadcasts prior to commencement of the Term. Notwithstanding anything herein to the contrary, the Stations shall continue to broadcast any programming required to be aired under

the terms of the Stations' contracts and agreements. During the Term, Licensee shall not renew or extend the term of any of the Stations' existing programming agreements.

3. Broadcasting. In return for the payments to be made by Programmer hereunder, during the Term, Licensee shall broadcast the Programs, subject to the provisions of Section 6 below. To the extent reasonably necessary to perform this Agreement, during the Term, Licensee shall provide Programmer with the benefits of any of the Stations' contracts and agreements and Programmer shall perform the obligations of Licensee thereunder.

4. Advertising. Licensee shall retain all of the Stations' accounts receivable existing on the date of this Agreement. During the Term, Programmer will be exclusively responsible for the sale of advertising on the Stations and for the collection of accounts receivable arising therefrom, and Programmer shall be entitled to all such collections. All contracts for advertising on the Stations which may be entered into by Programmer shall terminate upon the termination of this Agreement (other than a termination at closing under the Purchase Agreement).

5. Payments. For the broadcast of the Programs and the other benefits made available to Programmer pursuant to this Agreement, during the Term, Programmer will pay Licensee as set forth on *Schedule A* attached hereto.

6. Control. Notwithstanding anything to the contrary in this Agreement, Licensee shall have full authority, power and control over the operation of the Stations and over all persons working at the Stations during the Term. Without limiting the generality of the foregoing, Licensee will: (i) employ a manager for the Stations, who will report to Licensee and will direct the day-to-day operations of the Stations, and who shall have no employment, consulting, or other relationship with Programmer, (ii) employ a second employee for the Stations, who will report and be solely accountable to the manager, and (iii) retain control over the policies, programming and operations of the Stations. Nothing contained herein shall prevent Licensee from (i) rejecting or refusing programs which Licensee believes to be contrary to the public interest or (ii) substituting programs which Licensee believes to be of greater local or national importance or which are designed to address the problems, needs and interests of the local communities. Without limiting the preceding sentence, Licensee reserves the right to (i) refuse to broadcast any Program containing matter which violates any right of any third party, which constitutes a personal attack, or which does not meet the requirements of the rules, regulations, and policies of the FCC, (ii) preempt any Program in the event of a local, state, or national emergency, or (iii) delete any commercial announcements that do not comply with the requirements of the FCC's sponsorship identification policy. Programmer will immediately serve Licensee with notice and a copy of any letters of complaint it receives concerning any Program for Licensee review and inclusion in its public inspection file. Programmer shall cooperate with Licensee to ensure that EAS transmissions are properly performed in accordance with Licensee's instructions.

7. Music Licenses. During the Term, Licensee will obtain and maintain its current music licenses with respect to the Stations.

8. Programs.

(a) Programmer shall ensure that the contents of the Programs conform to all FCC rules, regulations and policies. Programmer shall consult with Licensee in the selection of the Programs to ensure that the Programs' content contains matters responsive to issues of public concern in the local communities, as those issues are made known to Programmer by Licensee. On or before January 7, April 7, July 7 and October 7 of every year during the Term, Programmer shall provide to Licensee a list of significant community issues addressed in the Programs during the preceding quarter and the specific Programs that addressed such issues.

(b) Licensee shall oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. During the Term, Programmer shall cooperate with Licensee as Licensee complies with its political broadcast responsibilities, and shall supply such information promptly to Licensee as may be necessary to comply with the political broadcasting provisions of the FCC's rules, the Communications Act of 1934, as amended, and federal election laws. Programmer shall release advertising availabilities to Licensee during the Broadcasting Period as necessary to permit Licensee to comply with the political broadcast rules of the FCC; provided, however, that revenues received by Licensee as a result of any such release of advertising time shall promptly be remitted to Programmer.

9. Expenses. During the Term, Programmer will be responsible for (i) the salaries, taxes, insurance and other costs for all personnel used in the production of the Programs supplied to Licensee, and (ii) the costs of delivering the Programs to Licensee. Subject to Section 5, Licensee will pay for its employees contemplated by Section 6, maintenance of all studio and transmitter equipment and all other operating costs required to be paid to maintain the Stations' broadcast operations in accordance with FCC rules and policies and applicable law, and all utilities supplied to its main studio and transmitter sites. Subject to Section 5, Licensee will provide all personnel necessary for the broadcast transmission of the Programs (once received at its transmitter site) and will be responsible for the salaries, taxes, insurance and related costs for all such personnel.

10. Call Signs. During the Term, Licensee will retain all rights to the call letters of the Stations or any other call letters which may be assigned by the FCC for use by the Stations, and will ensure that proper station identification announcements are made with such call letters in accordance with FCC rules and regulations. Programmer shall include in the Programs an announcement at the beginning of each hour of such Programs to identify such call letters, as well as any other announcements required by the rules and regulations of the FCC.

11. Maintenance. During the Term, Licensee shall maintain the operating power of the Stations and shall repair and maintain the Stations' towers and transmitter sites and equipment consistent with its past practice.

12. Facilities. If requested by Programmer, during the Term, Licensee shall provide Programmer access to and the use of space at Licensee's studio and offices for the Stations (for

purposes of providing the Programs and for no other purpose). When on Licensee's premises, Programmer's personnel shall be subject to the direction and control of Licensee's management personnel and shall not (i) act contrary to the terms of any lease for the premises, (ii) permit to exist any lien, claim or encumbrance on the premises, or (iii) interfere with the business and operation of Licensee's use of such premises. Nothing in this Agreement limits Licensee's ability to modify the space provided to Programmer pursuant to this Section and provide alternative space to Programmer. This Section is subject and subordinate to Licensee's leases for such studio and office facilities and does not constitute a grant of any real property interest.

13. Representations. Programmer and Licensee each represent and warrant to the other that: (i) it has the power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, (ii) it is in good standing in the jurisdiction of its organization and is qualified to do business in all jurisdictions where the nature of its business requires such qualification, (iii) it has duly authorized this Agreement, and this Agreement is binding upon it, (iv) the execution, delivery, and performance by it of this Agreement does not conflict with, result in a breach of, or constitute a default or ground for termination under any agreement to which it is a party or by which it is bound and (v) it is qualified under FCC rules to be the licensee or programmer, as applicable, of the Stations. Each of Programmer and Licensee shall ensure that the representations and warranties made by it under this Section 13 shall be true and correct at all times during the Term.

14. Purchase Agreement. With respect to each Station, this Agreement shall terminate automatically upon closing under the Purchase Agreement with respect to such Station. With respect to each Station, this Agreement may be terminated by either party by written notice to the other in the event of any expiration or termination of the Purchase Agreement with respect to such Station. For purposes of clarification, a closing under or termination of the Purchase Agreement with respect to one Station shall effect or give right to a termination of this Agreement solely with respect to such Station.

15. Events of Default.

(a) The occurrence of any of the following will be deemed an Event of Default by Programmer under this Agreement: (i) Programmer fails to timely make any payment required under this Agreement, (ii) Programmer fails to observe or perform any other obligation contained in this Agreement in any material respect, or (iii) Programmer breaches any representation or warranty made by it under this Agreement in any material respect.

(b) The occurrence of the following will be deemed an Event of Default by Licensee under this Agreement: (i) Licensee fails to observe or perform any obligation contained in this Agreement in any material respect, or (ii) Licensee breaches any representation or warranty made by it under this Agreement in any material respect.

(c) Notwithstanding the foregoing, any monetary Event of Default will not be deemed to have occurred until five (5) business days after the non-defaulting party has provided

the defaulting party with written notice specifying the failure to pay and such failure remains uncured; provided, however, that only two (2) such cure periods for monetary defaults shall be permitted in any year of the Term. Notwithstanding the foregoing, any non-monetary Event of Default will not be deemed to have occurred until fifteen (15) calendar days after the non-defaulting party has provided the defaulting party with written notice specifying the Event of Default and such Event of Default remains uncured. Upon the occurrence of an Event of Default, and in the absence of a timely cure pursuant to this Section, the non-defaulting party may terminate this Agreement, effective immediately upon written notice to the defaulting party. If this Agreement is terminated for any reason other than at closing under the Purchase Agreement, the parties agree to cooperate with one another and to take all actions necessary to rescind this Agreement and return the parties to the status *quo ante*. Failure of Licensee to broadcast the Programs due to facility maintenance, repair or modification or due to any reason out of Licensee's reasonable control shall not constitute an Event of Default by Licensee hereunder.

16. Indemnification. Programmer shall indemnify and hold Licensee harmless against any and all liability arising from the broadcast of the Programs on the Stations, including without limitation all liability for indecency, libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights or any other violation of third party rights or FCC rules or other applicable law. Licensee shall indemnify and hold Programmer harmless against any and all liability arising from the broadcast of Licensee's programming on the Stations, including without limitation all liability for indecency, libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights or any other violation of third party rights or FCC rules or other applicable law. The obligations under this Section shall survive any termination of this Agreement.

17. Assignment. Neither party may assign this Agreement without the prior written consent of the other party hereto. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns.

18. Severability. If any court or governmental authority holds any provision in this Agreement invalid, illegal, or unenforceable under any applicable law, then so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby, and the parties shall promptly negotiate in good faith any appropriate or reasonable amendments to this Agreement as a result of such governmental decision. The obligations of the parties under this Agreement are subject to the rules, regulations and policies of the FCC and all other applicable laws. The parties agree that Licensee shall file a copy of this Agreement with the FCC, and that Licensee shall place a copy of this Agreement in the Stations' public

inspection files.

19. Notices. Any notice, demand or request required or permitted to be given under the provisions of this Agreement shall be in writing and shall be deemed to have been received on the date of personal delivery, on the third day after deposit in the U.S. mail if mailed by registered or certified mail, postage prepaid and return receipt requested, or on the next business day after delivery to a nationally recognized overnight courier service if sent by an overnight delivery service for next morning delivery (or to such other address as any party may request by written notice):

20. Miscellaneous. This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement. No amendment or waiver of compliance with any provision hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the party against whom enforcement of such amendment, waiver, or consent is sought. 22. Nondiscrimination. In accordance with Paragraphs 49 and 50 of United States Federal Communications Commission Report and Order No. FCC 07-217, Programmer shall not discriminate in any contract for advertising on the Stations on the basis of race or gender, and all such contracts shall be evaluated, negotiated and completed without regard to race or gender. Programmer shall include a clause to such effect in all contracts for advertising on the Stations, and if requested shall provide written confirmation of compliance with such requirement.
