

Exhibit 5
Compliance with Multiple Ownership Rules

Compliance with the Local Radio Ownership Rule

CBS Radio East Inc. (“Applicant”) is the licensee of WODS(FM), Boston, Massachusetts (Facility ID No. 9639). For purposes of the local radio ownership rule, WODS(FM) is deemed to be part of the Boston, Massachusetts Arbitron Metro. WODS(FM) is licensed to Boston, Massachusetts in Suffolk County, which in turn is located in the Boston, Massachusetts Arbitron Metro.

In addition to WODS(FM), the Applicant and entities under common control with the Applicant (collectively, “CBS Radio”) also own the following radio stations in the Boston, Massachusetts Arbitron Metro: WBZ-FM, Boston, Massachusetts (Suffolk County) (Facility ID No. 1901); WBZ(AM), Boston, Massachusetts (Suffolk County) (Facility ID No. 25444); WZLX(FM), Boston, Massachusetts (Suffolk County) (Facility ID No. 13806); and WBMX(FM), Boston, Massachusetts (Suffolk County) (Facility ID No. 26987).

Attachment 1 was compiled on March 8, 2010 using BIA Research, Inc.’s Media Access Pro database. Attachment 1 lists all radio stations, including WODS(FM), that are licensed to communities within the counties comprising the Boston, Massachusetts Metro or that Arbitron designates as “home” to that Metro. As demonstrated in Attachment 1, there are 98 radio stations in the Boston, Massachusetts Metro, as so defined. Under the local radio ownership rule, a person or single entity (or entities under common control) in a radio market with 45 or more full-power, commercial and noncommercial radio stations may have a cognizable interest in up to 8 commercial radio stations, not more than 5 of which are in the same service (AM or FM).

As shown in Attachment 1, CBS Radio controls 1 AM radio station and 4 FM radio stations in the Boston, Massachusetts Metro, including WODS(FM), which fully complies with the local radio ownership rule.

Compliance with the Radio-Television Cross Ownership Rule

CBS Corporation (“CBS”), the ultimate parent of CBS Radio, is the licensee of WBZ-TV, Boston, Massachusetts (Facility ID No. 25456) and WSBK-TV, Boston, Massachusetts (Facility ID No. 73982). WBZ-TV and WSBK-TV are located in the

Boston, Massachusetts-Manchester, New Hampshire DMA. CBS also has an attributable interest in the five radio stations referenced above in the DMA.

In its 2002 Biennial Regulatory Review Report and Order, *2002 Biennial Regulatory Review – Review of the Commission’s Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, 18 FCC Rcd 13620 (2003), the Commission concluded that the radio-television cross ownership rule no longer served the public interest and repealed the rule. *Id.* at 13768. However, the Third Circuit’s stay of the effective date of the FCC’s multiple ownership rules imposed in 2003 remains in effect as to the repeal of the radio-television cross ownership rule. *See Prometheus Radio Project v. FCC*, 373 F.3d 372, 435 (3d Cir. 2004) (denying motion to lift stay of the radio-television cross-ownership rule). CBS thus remains subject to the radio-television cross ownership rule.

The radio-television cross ownership rule is triggered when either (i) the Grade A contour of a television station encompasses the community of license of a commonly owned radio station, or (ii) when the 1 mV/m contour of an FM station or the 2 mV/m contour of an AM station encompasses the community of license of a commonly owned television station. Since WBZ-TV, WSBK-TV and each of the five radio stations controlled by CBS Radio are licensed to Boston, Massachusetts, it is self evident that contour encompassment triggers the radio-television cross ownership rule in this instance.

Although the radio-television cross ownership rule is triggered by contour encompassment, the Commission determines compliance with the rule on an Arbitron Metro basis. Section 73.3555(c)(2)(i)(A) of the Rules provides that, in a market where at least 20 independently owned media voices will remain following the proposed transaction, to the extent permitted by Section 73.3555(a) of the Rules, an entity may hold attributable interests in two commercial television and six commercial radio stations. As shown in Attachment 2, at least 64 independently owned radio voices alone will remain in the Boston market following the minor modification proposed herein. Therefore, common ownership of two television and five radio stations in the Boston market complies with the radio-television cross ownership rule.
