

**ESTABLISHED COMMUNITY PRESENCE**

**Existence of Applicant**

The applicant is a Roman Catholic school located at 700 East Bryant Road, Ludington, Michigan 49431. There has been some kind of Catholic education in Ludington since the nineteenth century, as the local Catholic parish there was founded circa 1878. Our school was formerly known as St. Simon's School.

Here is the relevant portion of a topographic quadrangle map showing our school:

The transmitter site will be located on our school campus.

As we understand Section 73.853 of the FCC's Rules and Regulations, since the applicant's headquarters have been located within 20 miles of the proposed antenna location for more than the past two years, the applicant qualifies as an "established local applicant" for purposes of the so-called point system. Furthermore, at least 75% of our board members have lived within 20 miles of the proposed transmitter site for more than two years.

Therefore, this application qualifies as an “established local applicant” pursuant to Section 73.853(b) of the FCC’s Rules.
