

Description of the Parties

All natural persons identified below are United States citizens and the address for each is: c/o Meredith Corporation, 1716 Locust Street, Des Moines, IA 50309. Some persons identified below as holding 0% of the equity in an entity may own stock in amounts that would round to 0%. Percentage of Total Assets (debt plus equity) is not applicable for any respondent as there is no debt that would cause any otherwise non-attributable party to acquire attributable status as a result of operation of the “equity-debt-plus” rule (47 C.F.R. § 73.3555, Note 2(i)). Accordingly, percentage of equity is reported for each respondent.
