

**Exhibit 6B: Transfer of Control and Attributable Interests**

This Form 315 Application for Consent to Transfer Control is being submitted to effectuate a transfer of control over the FCC licenses currently held by Greater Dayton Public Television, Inc. (FRN: 0006842835) (“GDPTV”). Pursuant to a planned reorganization, GDPTV will come under the control of new entity, Public Media Connect (“PMC”). PMC will control both GDPTV and Greater Cincinnati Television Educational Foundation (FRN: 0003025004) (“GCTEF”) by becoming the sole “member” of GDPTV and GCTEF and thus having the power to appoint the board members of GDPTV and GCTEF. *See* Figure 1. It is contemplated that the boards of GDPTV and GCTEF will be composed of the same persons as PMC’s board. Pursuant to the reorganization agreement, GDPTV and GCTEF will continue to hold the licenses for their respective stations.

The reorganization will result in PMC, GDPTV, and GCTEF all having attributable interests in the following FCC licenses:

<b><u>Call Sign</u></b>	<b><u>Location</u></b>	<b><u>Service</u></b>	<b><u>Facility ID No.</u></b>
WCET(TV)/-DT	Cincinnati, OH	NCE TV/DT	65666
WPTO(TV)/-DT	Oxford, OH	NCE TV/DT	25065
WPTD(TV)/-DT	Dayton, OH	NCE TV/DT	25067
W17AA	Celina, OH	TX	25068
W63AH	Maplewood, etc., OH	TX	25069

Associated auxiliary licenses will also be affected by this transfer of control. GCTEF is filing a separate Form 315 transfer of control application for WCET(TV)/-DT. In addition, GDPTV is filing a separate Form 603 transfer of control application with the Wireless Telecommunications Bureau with regard to its wireless licenses.
