

## **MULTIPLE OWNERSHIP**

### **Exhibit 5**

Station WWRU(AM) is located in Jersey City, New Jersey which is located in the New York, New York Arbitron Metro.

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having forty-five (45) or more (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to eight (8) commercial full-power radio stations, not more than five (5) of which are in the same service (AM or FM). In the New York, New York Arbitron Metro there are one hundred forty-nine (149) commercial and noncommercial educational full-power radio stations.

Station WWRU(AM) is an expanded band station "paired" with Station WJDM(AM). Section 73.3555 of the Commission's Rules provides that these "paired" stations count as one station for multiple ownership purposes. As a result, there are five (5) other full-power AM radio stations (WZRC(AM), WKDM(AM), WNSW(AM), WPAT(AM), and WNYG(AM)) attributable to Multicultural Radio Broadcasting Licensee, LLC in the New York, New York Arbitron Metro.

Because all six (6) of the attributable stations are in the AM band, this application does not comply with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555. However, in the *Report and Order* implementing the new ownership rules, the Commission recognized that "there may be some existing combinations of broadcast stations that exceed the new ownership limits," but that "we are persuaded by the record to grandfather existing combinations of radio stations." *2002 Biennial Regulatory Review – Review of the Commission's Broadcast Ownership Rules*, 18 FCC Rcd 13620, ¶¶ 482-84 (2003). Thus, the multiple ownership rules will not be applied so as to require divestiture, by any licensee, of existing facilities. See 47 C.F.R. § 73.3555, n. 4.
