

OWNERSHIP STRUCTURE AND INTERESTS

Overview

Univision Communications Inc. ("UCI") through two principal subsidiaries, Univision Television Group, Inc. ("UTGI") and Telefutura Television Group, Inc. ("TTGI"), is the ultimate parent of the licensees of television broadcast stations. Through a third principal subsidiary, Hispanic Broadcasting Corporation ("HBC"), UCI is the ultimate parent of the licensees of radio broadcast stations. UCI's ownership structure and direct broadcast interests are described in Section I below. UCI's interests held through UTGI are described in Section II below. UCI's interests held through TTGI are described in Section III below. UCI's ownership interests held through HBC are described in Section IV below.¹

I. Univision Communications Inc.

UCI is a publicly-traded company, and no single person or entity holds 33% or more of the debt/equity of the company. A. Jerrold Perenchio is the single majority shareholder, with a 57.00% voting interest in UCI, by virtue of the fact that his Class P common stock is entitled to 10 votes per share so long as he continues to own at least 30% of the shares he held on October 2, 1996.

Grupo Televisa, S.A. and Venevision Investments LLC are shareholders of UCI which are each represented by a director on the Board of Directors and which are controlled by non-U.S. citizens. In addition, each entity holds non-voting stock and certain warrants which would allow it to increase its holdings to the extent that it is lawful for such a foreign entity to do so. In the past, the Commission has routinely approved interests such as these held by foreign entities. See Univision Holdings, Inc., 7 FCC Rcd 6672, 6673-74 (1992); FCC File Nos. BTCCT-9606281ID through BTCCT-960628IN and BTCCT-960628IP through BTCCT-960682IV.

Certain officers and directors of UCI also hold positions as the officers and directors of the broadcast subsidiaries discussed herein. In addition, John G. Perenchio is the son of A. Jerrold Perenchio.
