Coordinate Correction

Infinity Radio License Inc., licensee of Station KOQO-FM, Fresno, CA, seeks to correct the coordinates of its main antenna to agree with the Antenna Registration for the tower. The corrected coordinates are within the Commission's tolerance of +/- 3°.

The minor change in antenna coordinates do not adversely affect any short spacing issues that currently exist.

The present licensed coordinates are: 37° 04' 25" N latitude (NAD27)
119° 25' 52" W longitude
C/R = 594m HAAT

The corrected coordinates are: 37° 04' 22" N latitude (NAD27)
119° 25' 53" W longitude
C/R = 597m HAAT
ASR# 1227878
