ENGINEER'S DECLARATION

I, Terry W. Harper, subject to the penalties for perjury, do declare as follows:

1. I am a qualified Broadcast Technical Consultant whose abilities and experience are a matter of record before the Federal Communications Commission.
2. I am a holder of a valid General Radio Telephone Operator's License, Number PG-6-17008, issued for life, and that I was first licensed as a First Class Radio Telephone Operator in 1967.
3. That I have been a member of the Society of Broadcast Engineers since 1990.
4. That I operate a technical consulting firm in Auburn, Alabama that specializes in the installation and maintenance of Broadcast Radio facilities.
5. That I was retained by Alabama Christian Radio Inc., for the purpose of supervising the installation of transmission facilities for WJHO (FM) Alexander City, Alabama for which the Modification of Construction Permit BMPED-20120309ACA was granted by the Commission on April 12, 2012.
6. That I am familiar with the terms and conditions of the WJHO (FM) Construction Permit, and;
7. I hereby certify that I have overseen the installation of the WJHO (FM) directional antenna and that the installation was complete pursuant to the manufacturer's instructions, including the requirements for cable routing in the near vicinity of the WFAZ antenna.

Sworn this 5 th day of June, 2012

Terry W. Harper
Broadcast Technical Consultant
