

Purpose of Application

The purpose of this amendment to a pending application is to resolve the mutual exclusive relationship in group 365 as shown in Attachment A of DA 13-1170 between Edward L Farmer, FID 144440, Calvary Chapel Of The Finger Lakes, Inc, FID 151600, and State University Of New York, FID 138910.

Edward L Farmer believes that each of these three applications will become singletons as a result of this amendment.

The following sections have been amended:

Engineering Section III, Tech Box:

- 4- Location
- 6- Site elevation
- 7- Overall tower height
- 8- Height of radiation center above ground
- 9- Effective radiated power
- 10-Transmitting antenna

Preclusion to LPFM Points

This application has been studied to determine preclusion to LPFM points. The proposed transmitter site is located outside of any market or 39 km buffer zone around any market grid, therefore cannot preclude any LPFM licensing opportunities in any grid.
