Secretary
Federal Communications Commission
445 Twelfth Street, S.W.
Washington, DC 20554

Dear Ms. Dortch:

This letter is written on behalf of Calvary Chapel of Twin Falls, Inc. ("CCTF"), licensee of Station WYJC(FM), Greenville, Florida (Facility ID No. 122010), and is submitted in accordance with the provisions of Section 73.1740 of the Commission's rules.

CCTF recently requested and received Special Temporary Authority (File No. BSTA-20140814ABO) to operate Station WYJC at reduced power following damage to its transmitting antenna. Before a new antenna could be installed, on August 23, 2014, the existing equipment failed and the station is now silent. If the tower crew is not able to restore operation with at least reduced power by September 22, 2014, CCTF will file a request for STA for the station to remain silent until regular operation can be resumed.

If any additional information is desired in connection with this matter, please contact the undersigned counsel.

Very truly yours,

A handwritten signature in blue ink that reads 'Brian M. Madden'.
