

Exhibit 13 and 15
Throw Fire Project
Multiple Ownership and Attributable Interests

There is no multiple ownership or attributable interest cognizable under the Commission's rules. However, in the interest of full disclosure, Throw Fire Project makes the following disclosure.

Central Minnesota Community Foundation holds the Andy and Carol Hilger Family Fund, a donor-advised fund, and the source of funding for this permit. Gabriel Communications Company, licensee of KKJM(FM), St. Joseph, Mn, Fac. Id. 62129, is owned by the Diocese of St. Cloud, Minnesota. Andrew W. Hilger is the founder of KKJM(FM) and the donor of the station to the Diocese. He presently serves as a consultant to KKJM(FM), but is not an employee, officer or director. There are no common officers or directors between Throw Fire Project and Gabriel Communications Company. Andrew W, Hilger and James Schleper are members of the Advisory Board of KKJM.

Even were there an common attributable interest in the two stations, it would constitute a permissible AM-FM combination.
