Facility Id: 24970
Analog TSID: 2456
Digital TSID: 2457
Call Sign: WICU-TV
License File Number: BLCDT-20090619ABT
This license covers permit no.: BPCDT-20080317AEJ

Grant Date: June 13, 2011
This license expires 3:00 a.m.
local time, August 01, 2007.

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Height of radiation center above average terrain: 306.7 Meters

Antenna structure registration number: 1037808

Overall height of antenna structure above ground (including obstruction lighting if any) see the registration for this antenna structure.

Special operating conditions or restrictions:

- 1 The license expiration date provided herein is tolled pursuant to 47 U.S.C. §307(C)(3) pending a final decision on the station's license renewal application. Furthermore, this license is subject to any action taken by the Commission on the renewal application.

Special operating conditions or restrictions:

- 2 Operation with the facilities specified herein is subject to the following condition: If a television station listed below is authorized by Canada and begins operation, it must be protected. Protection must be determined to be acceptable by both the FCC and the Canadian government, and may be based on additional negotiation regarding the current facilities, an agreement to accept interference or the operation of reduced facilities. Unless it is deleted earlier, this condition expires at the end of the Canadian DTV transition, currently expected to be August, 2011.

Channel 12 Chatham, ON
