Facility Id: 10291

Grant Date: December 23, 1997

This license expires 3:00 a.m.  
local time, February 01, 1998.

Call Sign: K40FF

License File Number: BLTTV-19971112IH

This license covers Permit No.: 960517KB

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Callsign: K40FF

Overall height of antenna structure above ground: 126.5 Meters

Special operating conditions or restrictions:

- 1 This authorization is subject to the condition that low power television is a secondary service, and that low power television and television translator stations must not cause interference to the reception of existing or future full service television stations on either allotted NTSC or DTV channels, and must accept interference from such stations.
- 2 This license is issued subject to the condition that the licensee shall operate the station under Program test authority until 3:00 a.m. local time, February 01, 1998. After this date, program test authority will automatically be terminated and licensed operation may begin. Further extension of the construction permit is not required.
