Special operating conditions or restrictions:

- 1 This authorization is subject to the condition that low power television is a secondary service, and that low power television and television translator stations must not cause interference to the reception of existing or future full service television stations on either allotted NTSC or DTV channels, and must accept interference from such stations.
- 2 This license is issued subject to the condition that the licensee shall operate the station under Program test authority until 3:00 a.m. local time, August 01, 1999. After this date, program test authority will automatically be terminated and licensed operation may begin. Further extension of the construction permit is not required.
