Digital TSID: 8945

Call Sign: WOHz-LP

License File Number: BLTTA-20020906AAX

This permit affords CA status to.: BPTTL-20000731AEY

Grant Date: November 04, 2003

This license expires 3:00 a.m.
local time, October 01, 2005.

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Special operating conditions or restrictions:

- 1 This Authorization reflects the licensee/permittee's certification that the class A television stations will not cause interference to the reception of existing full-service stations on either NTSC or DTV channels, any DTV facilities resulting from maximization applications filed by May 1, 2000, and existing LPTV, television translator and class A television stations.
- 2 Operation with the facilities specified herein is subject to modification, suspension, or termination without right to hearing, if found by the Commission or industry Canada to be necessary in order to conform to the 1994 Canada-USA Television Broadcast Agreement. This facility is classified as a secondary operation with respect to existing and future assignments in Canada. The station is not authorized for international protection by existing or future allotments or assignments on allotted channels in Canada.

*** END OF AUTHORIZATION ***
