Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddayado is a half-hour weekly educational series designed to educate, inform, inspire and entertain children 16 and under (specific target audience is 13-16) about the world around them. Each episode is an educational life-lesson, based on reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Through dramatic re-enactments, Whaddayado will skillfully document the event, interview the participants, and talk to various experts, who will explain what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make the right decision at the right moment, there will be a Moral Dilemma segment featured in each show.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Zula Patrol is a 3D/CG animated show about six extraterrestrial characters, Captain Bula, his copilot Zeeter, Professor Multo, their pet, Gorgo, and their flying dictionaries Wizzy and Wiggle, who learn key science concepts as they explore the galaxy through space missions. Often, the group encounters the evil Dark Truder and his talking toupee minion, Traxie, and must thwart Truder, with his poorly planned schemes to take over the universe. Each character exhibits unique abilities and traits that, combined with their new knowledge, helps them problem-solve their way through their journeys. Using an integrated approach to target diverse learning styles, the show communicates its educational messages through storytelling and a two-part information segment at the end of each story.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Babar, based on the books by Laurent de Brunhoff, is an animated show about a young orphaned elephant who finds the strength to rise above the challenges he faces, including the death of his parents, as he journeys through life. Each episode of the show develops a social-emotional message such as taking responsibility, being patient and persistent in hard work, respecting people's privacy, learning to cope with unforeseen changes, and being honest. Theses messages emerge from the need to resolve a dilemma that is faced by Babar, one of his friends or family members.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's Wild Life is an enchanting series about a little girl's unique home life that is sure to keep you in stitches and warm your heart. Willa's Wild Life follows the adventures of a Willa, an unforgettable little girl who, like a young Lucy in I Love Lucy, finds herself in comic predicaments that only seem to escalate as she fumbles through solutions. But thanks to her loving and patient father, and her entire extended family of personality rich zoo animals, Willa manages to overcome her obstacles, learn a little something, and have a great time along the way.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Pearlie focuses on the importance of following the rules, using good judgement and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters(HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from, their prospective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives.
