Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Provides insight into the opinions and perspectives of Major League Baseball players. Specifically, the 2012 season of MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Pamela A. Brennan
Address	25 Catamore Blvd.
City	East Providence
State	RI
Zip	02914
Telephone Number	401-438-7200
Email Address	pbrennan@foxprovidence.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The station terminated analog operations on February 17, 2009. Therefore, Questions 7(b) and 7(c) are no longer applicable. The licensee has reviewed internal station records and documentation provided to us by program suppliers for compliance with the FCC's commercial limits in children's programs (47 C.F.R. Section 73.670) and the licensee hereby certifies that the station fully complied with these limits for all programs specifically designed for children ages twelve (12) and under. In addition to the programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve (12) and under: None

Provides insight into the opinions and perspectives of Major League Baseball players. Specifically, the 2012 season of MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise.
