Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Dream Quest" literally brings the world to young people and their families by fulfilling the desire to learn through experience. The ship is a floating classroom designed to give families the real-life education of a lifetime. Teens will learn what it takes to pursue their dreams, and may be inspired to try something new along the way. Lead by a seasoned Captain, Cruise Director and highly skilled crew, Dream Quest bring families on an interactive voyage where they learn about the world's amazing oceans, the animals that swim beneath the water and the ecological advancements underway to preserve and protect our precious resources.
