Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	0.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	0.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	Eco Company
Origination	Syndicated
Days/Times Program Regularly Scheduled	Mondays at 7:30 a.m. (July 7 - September 1, 2014)
Total times aired at regularly scheduled time	9
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Every week Eco Company explores all aspects of being green and understanding how we impact our world. From reporting on the latest technologies in energy, recycling, conservation and organics to sharing the stories of young people making a positive impact on the environment. In addition every week Eco Company provides a practical tip that teens and people of all ages can use in their daily lives. Eco Company is designed to be an interactive program from finding out what's on the mind of all teens by talking to them wherever we find them to providing a forum on this website for teens to share their own videos about going green.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Awesome Adventures is a half-hour adventure series that airs 52 weeks per year. The host, as well as two different teens, will travel each week to destinations around the world that can be both exotic and remote. "Awesome Adventures" is designed to educate, inform and entertain children 16 and under (specific target audience is 13-16) about the world around them. Each journey is a lesson in the beauty of nature, it's creatures, and the people who inhabit the land. The shows are not designed to be "preachy" or overly pedantic, but rather, the goal is to make the learning fun.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wild About Animals is a half-hour animal E/I magazine series that airs 52 weeks each year. The show is hosted by the Emmy-award winning actress Mariette Hartley. Mariette has committed herself to fighting for the rights of animals for over 20 years. The series is produced for children 16 and under (specific target audience is 13-16). As the producers of "Wild About Animals", it is the objective of Steve Rotfeld Productions, Inc., to educate and inform children, specifically in the target age group, by bringing them entertaining and interesting stories about the world's most fascinating animals. Each episode consists of four different stories designed to teach children about both exotic and unique animals, as well as to educate them further about animals they see everyday.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado is a half-hour weekly educational series designed to educate, inform, inspire and entertain children 16 and under (specific target audience is 13-16) about the world around them. Each episode is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, "Whaddyado" provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make right decisions, some episodes will feature a "Moral Dilemma" segment.

Pets from everyday to the unique are showcased with educational information that shares how they evolved to become pets and their geographic origins. The motivational and inspirational message of each guest empowers audiences of all ages to pursue more information and education about everything pets. Each segment of PETS.TV delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, commitment, and perseverance children can apply to their lives.

Certification

Question	Response
