Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	NOODLE AND DOODLE is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies, and a kitchen, all ready for any assignment. The projects encourage parent engagement and often feature families working together to make something for display in the child's home. Sean is accompanied by Doggity, an every-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. While the show will be enjoyed by preschoolers, the projects are also very practical and engaging to implement for children ages 5-8. The art projects typically feature lessons on recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	LAZY TOWN promotes fitness and healthful habits for children of preschool and primary grades. It takes place in an imaginary setting, Lazy Town, and most episodes relate children's eating and fitness habits to problem solving in their "real world." The lead character, Stephanie, guides the audience through the story. She and her best friends, a group of "human" puppets reside in Lazy Town, where her uncle is Mayor Milford Meanswell. The underground spy and influencer who defines the ethos of Lazy Town is Robbie Rotten, and he is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids get into difficulties with Robbie Rotten, it is Sportacus, gymnast/athlete, who comes to the rescue from his home in a spaceship that hovers over earth, prepared to answer to any call for help. The ever-present theme of Lazy Town is to eat "sports candy" which consists of fruits and vegetables, get sufficient sleep, and go outside and engage in a wide range of physical activities, from playing games and holding athletic competitions, to building forts and play structures.
