Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company is a show with a dynamic and diverse group of teens who combine their natural curiosity with their enthusiasm to preserve the planet they will inherit. Eco Company explores all aspects of being green and provides examples of how we impact our world. The E-Co team teaches teens about alternative energies and reports on the latest technologies under development in energy, recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference and make a positive impact on the environment. Each week the show provides practical tips that teens, and people of all ages, can use in their daily lives. Each story and feature is reported by teens and told from their perspective.

Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	8 years to 12 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Cake, a dynamic young adolescent, is into recycling and creating individual crafts and fashions for her weekly TV show. Cake, along with her friends Benjamin, Miracle and Amy, deal with every day problems that teens face. Each week, personal events in the lives of the characters provide Cake with inspiration for her new creative project usually transforming something old into something new and unique. Cake and her friends deal with issues such as problems at school, aspirations and expectations, friendships, worries and all the other issues adolescents confront on a daily basis. The four characters support each other and display clear and concrete positive interpersonal interactions. Amy, as the youngest, often looks to the others for advice. Cake and her friends show mutual respect, admiration, support and cooperation which young viewers can model. The characters and the lessons they teach encourage individuality, creativity and fun and provide young viewers with a platform for self expression and self confidence.

Program Title	Eco Company [5.1]

Origination	Syndicated
Days/Times Program Regularly Scheduled	SA 12:30PM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company is a show with a dynamic and diverse group of teens who combine their natural curiosity with their enthusiasm to preserve the planet they will inherit. Eco Company explores all aspects of being green and provides examples of how we impact our world. The E-Co team teaches teens about alternative energies and reports on the latest technologies under development in energy, recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference and make a positive impact on the environment. Each week the show provides practical tips that teens, and people of all ages, can use in their daily lives. Each story and feature is reported by teens and told from their perspective.

Program Title	Career Day [5.1]
Origination	Syndicated
Days/Times Program Regularly Scheduled	SA 1:00PM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Career Day introduces young people to career exploration and awareness within a safe learning environment. Career Day provides an avenue for teens to view experts in their respective fields as they discuss work, education and training required for their job choice as well as experiences that led them to choose their field. The show encourages students to make informed decisions by exposing them to the wide variety of potential jobs and encourages success through education and training. The program's motivational and inspirational message of each guest empowers audiences of all ages to investigate career opportunities which in turn can enhance academic performance, facilitate high school completion and encourage post-secondary education. Each segment of Career Day delivers an educational and informational message that supports current social, intellectual and emotional aspects of teens.

Program Title	On The Spot [5.1] - first telecast 9/24/11
---------------	--

Origination	Syndicated
-------------	------------

Days/Times Program Regularly Scheduled	SA 1:30PM
--	-----------

Total times aired at regularly scheduled time	1
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On The Spot is a question and answer show challenging viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music, and technology, and then teaches them the answer. The show uses an entertaining on-the-street format to test how well young people know the information contained in their own national curriculum. The format allows a wide range of topics and allows topics to be blended. The program also succeeds in modeling all ages, ethnicities and genders as successful, knowledgeable individuals. Although there are right and wrong answers, there are right answers from people that every audience member can identify with so that they see a representative from their own group succeeding. In turn, it also allows viewers to learn respect for those outside their own group.

---

Length of Program 30 mins

---

Age of Target Child Audience from 8 years to 12 years

---

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

Cake, a dynamic young adolescent, is into recycling and creating individual crafts and fashions for her weekly TV show. Cake, along with her friends Benjamin, Miracle and Amy, deal with every day problems that teens face. Each week, personal events in the lives of the characters provide Cake with inspiration for her new creative project usually transforming something old into something new and unique. Cake and her friends deal with issues such as problems at school, aspirations and expectations, friendships, worries and all the other issues adolescents confront on a daily basis. The four characters support each other and display clear and concrete positive interpersonal interactions. Amy, as the youngest, often looks to the others for advice. Cake and her friends show mutual respect, admiration, support and cooperation which young viewers can model. The characters and the lessons they teach encourage individuality, creativity and fun and provide young viewers with a platform for self expression and self confidence.
