Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sports Stars of Tomorrow displays the hard work and dedication that it takes to be a success in sports and in life. It chronicles the trials and tribulations of the young athletes as they strive to become the "top level" athletes. The program helps youngsters realize that they can achieve their full potential in both life and the playing field thru hard work and determination. It reinforces the importance of key values like personal dedication, discipline and commitment, learning from their teacher / coaches and being a part of a team and a community. The program also provides in-depth, human-interest stories that reveal the important challenges and lessons that mold our young athletes. Not everyone is cut out to be a superstar. In Sports Stars of Tomorrow, we recognize those athletes that have learned "life lessons" along the way, while battling limitations and obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life.
