Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily faces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week, host Evette Rios, recently a field correspondent and roving reporter for "The Chew," helps American families modify and update a high-calorie family recipe. First, two chefs face off in a head-to-head competition to give the recipes a nutritious low-calorie twist. After making each rehabbed recipe in its own kitchen, the family chooses its new favorite. This recipe makeover challenge teaches viewers about the nutritional value of different foods, promotes the use of healthy, wholesome ingredients, and demonstrates that healthy food choices can have positive effects on viewers' quality of life. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Best known for his Emmy Award-winning television program, "Jamie Oliver's Food Revolution," Oliver is one of the world's favorite celebrity chefs who aspires to teach the world to cook. Oliver's core belief is that simply cooking for oneself using fresh ingredients is the easiest way to maintain a balanced diet, and to this goal, he has perfected a delicious collection of healthy recipes that can be prepared in 15 minutes. The show encourages young viewers to replicate the recipes and to develop healthy lifestyles through healthy cooking. The program also fosters viewers' appreciation for different kinds of foods and cultures from around the world. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Career Day introduces young people to career exploration and awareness within a safe learning environment. Career Day provides an avenue for teens to view experts in their respective fields as they discuss work, education and training required for their job choice as well as experiences that led them to choose their field. The show encourages students to make informed decisions by exposing them to the wide variety of potential jobs and encourages success through education and training. The program's motivational and inspirational message of each guest empowers audiences of all ages to investigate career opportunities which in turn can enhance academic performance, facilitate high school completion and encourage post-secondary education. Each segment of Career Day delivers an educational and informational message that supports current social, intellectual and emotional aspects of teens. This program is specifically designed to further the educational and informational needs of children, has educating children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. This program airs on WCAX-DT's Secondary Channel 3.2.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program's objective helps children achieve a greater understanding of nature and specific animal species. Through this understanding, children will gain a better relationship to the natural environment in North America and learn to protect its natural species. This program is specifically designed to further the educational and informational needs of children, has educating children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. This program airs on WCAX-DT's Secondary Channel 3.2.

Program Title	REAL WINNING EDGE
---------------	-------------------

Origination	Syndicated
-------------	------------

Days/Times Program Regularly Scheduled	Friday 3:30 PM
--	----------------

Total times aired at regularly scheduled time	13
---	----

Length of Program	30 mins
-------------------	---------

Age of Target Child Audience from	13 years to 16 years
-----------------------------------	----------------------

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Real Winning Edge is a weekly half-hour television series that meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The program highlights adolescents and young adults making the right choices when faced with tough decisions and significant challenges. Recognizing that 13 to 16-year-olds are likely to be influenced by celebrities, the series features role models from the professional sports and the entertainment industries. Each episode is engaging, entertaining and educational in structure, presenting a powerful and positive message. This program airs on WCAX-DT's Secondary Channel 3.2.
