Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. ....This program was aired on KCCI's main digital channel (8-1).
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Length of Program	30 mins
Age of Target Child Audience	3 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each episode of the show features a real child, who writes for help or advice with a problem to the Doodles, three animated young members of a band. The child then enters the animated world of the Doodlenet, and sets out on an adventure with the band to find a resolution to the problem, with important life lessons imparted in the process. Each episode reinforces the lesson through a musical interlude that encapsulates the educational message. Specific educational objectives of the program include encouraging viewers to develop positive personal qualities such as honesty and initiative, and providing viewers with a basic understanding and appreciation of music. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. ....This program was aired on KCCI's main digital channel (8-1).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TROLLZ is an animated series about five teenage girls growing up in a magical and colorful world, who live by the credo B.F.F.L. - Best Friends for Life. The magic in their lives is interwoven into real-world type experiences through which they learn to engage in problem solving, creative thinking, and cooperative strategy skills. The series also provides an opportunity for the five girls to learn how to cope with some of the social and emotional issues of self-esteem relating to physical features and other personal attributes, emerging friendships and peer-group relationships, and other experiences found in Trollzopolis. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. ....This program was aired on KCCI's main digital channel (8-1).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The mission of Teen Kids News is to produce a weekly news program that provides information and news to kids in a manner that is educational and compelling as well as highly entertaining. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team is unique in television and has great appeal to kids who identify with and emulate them. This program serves the audience in a way that makes a real difference in their lives. It inserts the clear voice of the kid into the adult-dominated media and provides a unique perspective to the news that is not currently available on network television. This program is specifically designed as FCC qualified (E-I) Educational, Informational children's programming aimed at children aged 13-16. ....This program was aired on KCCI's main digital channel (8-1).

Age of Target Child Audience	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. ....This program was aired on KCCI's main digital channel (8-1).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children 13-16 years old. In each episode, Jarod looks at exotic and domestic animals from his own unique perspective. Filled with energy, youth and humor, Jarod travels to zoos and aquariums to explore animals that fit a particular theme. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. ....This program was aired on KCCI's "Weather Now" digital channel (8-2).

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Robert Day
Address	KCCI Television, 888 Ninth St.
City	Des Moines
State	IA
Zip	50309
Telephone Number	(515) 247-8888
Email Address	rlday@hearst.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	On Friday, May 13th from 12:30-1:00pm, a technical playback error occurred in the airing of "Animal Exploration with Jarod Miller" on Digital Channel 8-2, which resulted in the omission of approx. 15 minutes of this 30-minute program. Because of this playback error, the above episode of "Animal Exploration" was not included in calculating KCCI's quarterly average of digital core programming (digital multicast channel 8-2, Question #8b).

Program Title	GREEN SCREEN ADVENTURES
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays (6 episodes), 7:00-10:00am; Sundays (6 episodes), 7:00-10:00am.
Total times aired at regularly scheduled time	156
Length of Program	30 mins
Age of Target Child Audience from	7 years to 13 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>This program is scheduled to air on KCCI's digital multi-cast channel (8-2)..... Utilizing humor as a powerful learning tool, Green Screen Adventures sparks enthusiasm for writing through age appropriate sketch comedy, original songs, puppetry, and story theatre. By basing the stories on the writing of elementary school students, ages 7 -13, children get the message that their words have power, and that their voices are being heard. Green Screen Adventures provides a unique opportunity for giving young students a real world connection to their writing -- and its impact on a broader audience -- by submitting their own writing to the show for consideration and adaptation. Green Screen's company of performers and writers reinforces critical writing skills and emphasizes positive social messages. In addition to academic skills, Green Screen Adventures focuses on the five Cs: Creativity, Curiosity, Confidence, Citizenship, and Compassion. This program is specifically designed as FCC qualified (E-I) Educational, Informational children's programming aimed at children aged 7-13.</p>
