Describe the educational and informational objective of the program and how it meets the definition of Core Programming. This animated comedy series is based on the children's book series Pearlie, The Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. The show focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble; frequently outwitting the park bully. She approaches new tasks and problems with great enthusiasm but without the organization required to get the job done; requiring help from friends in each situation so the park can be restored to order.
