Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Eco Company" is a teen-hosted program that profiles individuals and organizations committed to environmental issues, reports on the latest recycling and nature conservation efforts and advances in renewable energies and carbon footprint-reducing technology. It offers advice on how to be more eco-wise, while performing daily activities. The show also includes 'eco bytes' (bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the show's website. This kid-friendly series uses peer reporting to address various environmental issues from a youthful point of view. By doing so, it enthusiastically encourages young adults to become more proactive about environmentalism, rather than just talking about the importance of living green. It also stresses the positive impact that young people's efforts, no matter how small they might seem, can have on the larger world around them.

See 47 C.F.R. Section 73.671, NOTES 2 and 3.

(Additional materials enclosed in the station's public file) **"BRAIN BREAK" CHILDREN'S PUBLIC SERVICE ANNOUNCEMENTS** WVTV locally produces educational based public service announcements, entitled "Brain Break," which air several times a day during children's educational/informational programming. The "Brain Break" topics covered during this quarter include: archeology, sports, science, American history, dinosaurs, astronomy, ocean life, United States Presidents, space, states, Wisconsin, Milwaukee, geography, animals, and weather (Additional materials enclosed in the station's public file) **AMBER ALERT** WVTV continues to participate in the Wisconsin Amber Alert Plan. At present, the Amber Alert System for Broadcast Distribution is only activated for children abducted in Wisconsin. The bulletin is distributed to us through the Emergency Alert System (EAS) by state law enforcement. The alert follows the following criteria: the child must be 17 years or younger; the child must be in danger of serious bodily harm or death; the initiating law enforcement agency must have enough descriptive information about the child, the suspect(s), and or suspect vehicle(s), to believe an immediate broadcast will help locate the child. **BROADCAST/NON BROADCAST EFFORTS FOR FAMILIES MAKING STRIDES AGAINST BREAST CANCER** On March 10, 2011 our Human Resources Director represented WVTV & WCGV at the 16th Annual Making Strides Against Cancer Kickoff Breakfast. This continued our partnership with the American Cancer Society to make progress in the fight against cancer by helping all people including children stay well, get well, find cures and fight back. **HISPANIC CHAMBER OF COMMERCE** A donation of \$5,000 in advertising was given to the Gala Auction on January 22, 2011 with proceeds benefitting The Hispanic Chamber of Commerce of Wisconsin (HCCW) scholarship fund. Four Bucks tickets were also donated to the auction with a value of \$809.40. WVTV aired 10 spots valued at \$1,000 promoting their annual gala. Production was also donated to create this spot at a \$1,000 value. A table was purchased at this gala where our general manager continued to foster our gold membership with the Hispanic Chamber of Commerce of Wisconsin, again with proceeds going to the scholarship fund. The Hispanic Chamber of Commerce of Wisconsin has for decades effectively promoted the interests of Wisconsin's Hispanic and other small businesses. It fosters economic development, educates future generations and maintains a strong and prominent community presence. (Additional materials enclosed in the station's public file.)
