Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Latina Broadcasters of Daytona, LLC acquired the license of Class A television station WDYB-LP on October 15, 2010. The station has been silent since October 14, 2010. The FCC was timely notified of the silent status and has issued special temporary authority for the station to remain silent. Since that station was dark during 3rd Quarter 2012, no children's programming is reported in Question 4 of this report, which is being filed to comply with the Commission's quarterly reporting requirements despite the station's silent status.
